

NOTES:

Material:

Shell: Standard Brass
 Clip: Beryllium Copper

Finish:

81 : Clip 0,25µm (30µ') Gold over Ni, Shell 5µm(200µ') Tin over Ni
 For other plating configuration please consult.

Electrical:

Clip code 3920
 Rated current 11 Amps
 Contact resistance max. 15 milliohms

Mating Pin Size:

1,4 - 1,7 mm [,.055' - ,066']

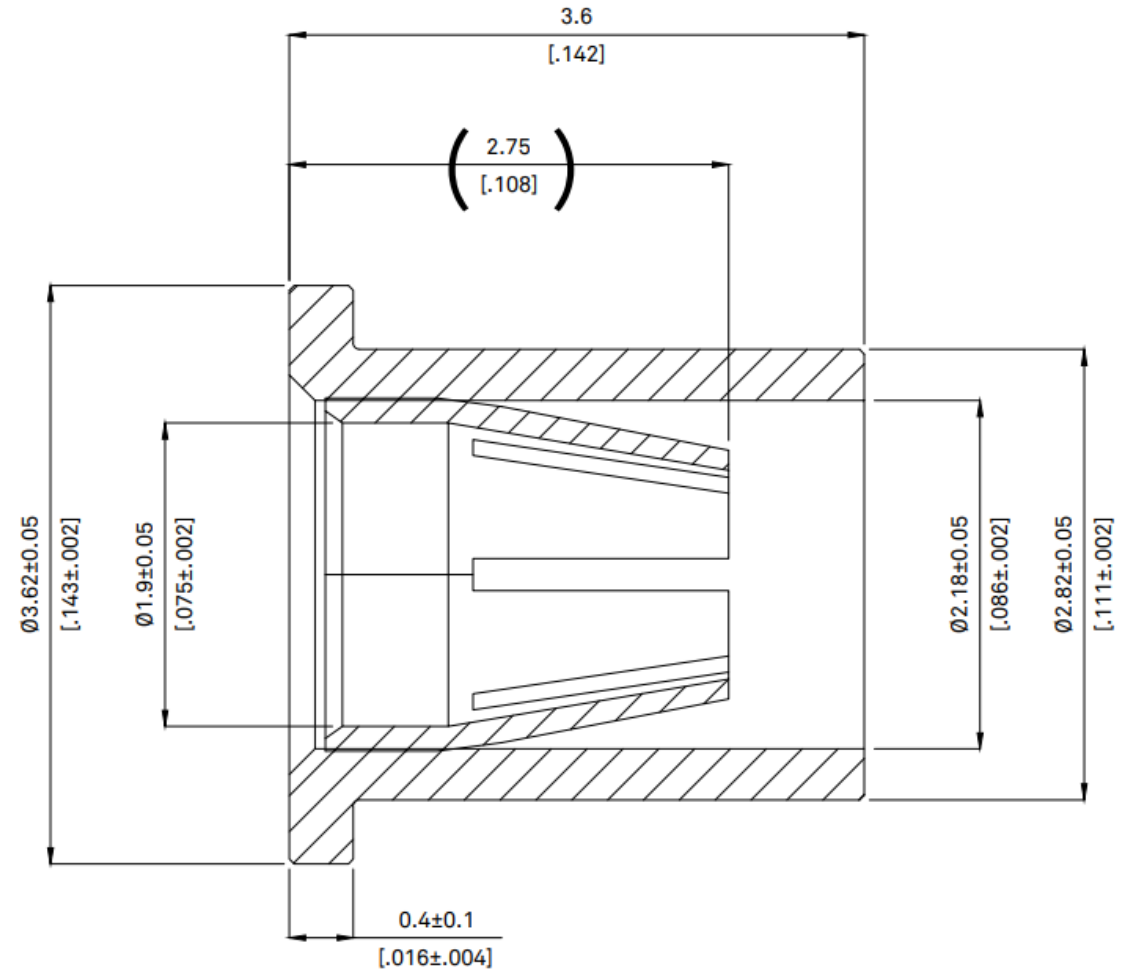

Environmental:

Temperature range : -55°C to +125°C

Mechanical:

Recommended PCB Mounting hole 2,89 mm [,.113']
 Mechanical life min. 500 cycles

For complete mechanical and electrical specification, see CLIP
 Specification regarding Clip Code Number.
